MEMBER HIGHLIGHTS

Wendy Cowan PHF +1

Sponsored by Carole Fries, Wendy is the marketing manager at Martin's Famous Potato Rolls. She was formally the Chief Marketing and Public Relations Officer at Menno Haven Retirement Communities and joined Rotary in September 2004. She is past Chairperson of the OSI Board of Directors and has also served on the Rhodes Grove Camp and Rotary Boards of Directors (serving now). She attends King Street Church and frequently volunteers as a member of the Media and Production Team. Growing up in Greencastle, Wendy received her degrees from Shippensburg University and has achieved several professional certifications. She is a alumna of the 2001 Leadership Franklin County. Wendy has chaired the Dictionary Project, Annual Celebration Dinner, Salvation Army Bell Ringing and has been the Rotary Exchange Counselor for the club, each for a number of years. She has been the Rotary Bulletin Editor for more than a decade and is now the Social Media Manager for the club. She received the honor of Rotarian of the year in 2014. In her spare time Wendy enjoys time with her family and travelling. Her circle includes two step-daughters, three beautiful grandchildren and two great-grandsons! Her daughter, Dr. Richaela, (who has grown up with Chambersburg Rotary) and her husband Dylan live in Orrstown. She is also mom to the best kitties in the world Jellybean, Rosie and Jebediah Goodboy.

Kim Crider

I joined WellSpan Health in February 2020 and currently serve as a Product Support Specialist for the EAP and Wellness business lines. I am also a Registered and Certified Yoga Teacher, teaching yoga for the Chambersburg Memorial YMCA as well as for other businesses and individuals. Additionally, I have worked for AW Designs as a proofreader/editor

for two years. As a former member of The Rotary Club of Chambersburg, I served on several committees, including the Rotary Foundation Board and, upon my return, I now serve on our Rotary Club board as well as the Public Relations committee. I currently hold a seat as board secretary for the Franklin County Coalition for Progress and I've also held seats on various boards to include responsibilities as board chair, and with organizations such as United Way Franklin County where I was the 2019 campaign chair. DEIB work is important to me, and I am an active WellSpan Inclusion Champion and carry out DEI work in this capacity and I chair the DEIB committee for United Way Franklin County. Most importantly, I have two amazing kids, Trystan and Tara and a terrific son-in-law Paul. My son started a career at Giant Food Stores three years ago and is thriving there. My daughter is a Senior Scientific Director for MediTech Media in Atlanta and her husband Paul is a Senior Director of Data Governance for Lexus Nexus. I have an absolutely delightful grandson named George who I FaceTime and visit often. I enjoy a blessed life with wonderful family and a remarkable group of friends.

Denis DiLoreto PHF +4

Denis joined Rotary in 1976, sponsored by his mentor, the late President Judge George Ep-pinger. He enthusiastically served Rotary at the Club and District levels in various roles: chairing numerous Club committees, from major fundraisers to the most mundane service projects; as a member of the Club's board for many years, including a term as President; and as Chair of the District Conference in 1987. He attended several District Conferences and two Rotary International Conventions. Denis is PHF +4 and was honored twice as our Club's Rotarian of the Year. He volunteered for numerous nonprofits over the years, including The Chambersburg United Way, Coyle Library, and the Franklin County Library System. Denis relished his work as a trial attorney and was active with the Franklin County Bar Association, where he served a term as President. In 2008, the Bar Association recognized Denis for his lifelong commitment to his clients, the community, and the legal profession by presenting him with the Edmund C. Wingerd, Jr., Memorial Award. Denis grew up in Erie and is proud of his Italian heritage. He loves music, learning about (and drinking!) wine, traveling, gardening, bicycling, war history, and listening to audiobooks. He is thoroughly enjoying retirement with his beautiful and incredibly patient wife Theresa and their three spoiled cats.

Meal Train for Angie Lynch's Dad

Tom Sr. is 83 and lives alone. He doesn't eat leftovers, so food for one is ideal! He loves all foods: traditional American fare, Mexican, Chinese, casseroles, etc. Gift cards to local restaurants would be helpful; however, Door Dash is **not** available in his area.

Stevens Elementary School Playground Supplies Drive

The board has voted to support purchasing playground supplies for Stevens Elementary School. We heard from the community and parents about the dismal shape of the playground supplies at Stevens and the struggle with funding. It is apparent that this is a great opportunity for Rotary to support our local children with the highest needs. Please consider donating toward this drive so we can purchase additional playground equipment. Contact [Linda Boeckman](#) for details and donations.

STUFF THE BUS

Our club has been the recipient of 50 school backpacks for the **Stuff the Bus** project. All we have to do is add some school supplies to each backpack. Not that I'm promoting one business over another, but right now Walmart has many school supplies for under \$1.00. Just imagine how many supplies one could buy if you just gave up that one special coffee from Starbucks, Dunkin' Donuts or whichever coffee shop you frequent this coming week before our next meeting, **Thursday, July 17, 2025.**

We will be collecting supplies or money to purchase supplies to help fill the backpacks. If you remember your first day of school, most likely you had new shoes, shirt, dress, pencils, pencil case and maybe even a new lunch pail. **Over 60% of the Chambersburg school population qualifies as poverty level.** Many of those students, at no fault of their own, will not have a backpack, a pencil, eraser, notebook, pen, construction paper, glue or ...

Won't you please help fill these backpacks by living Rotary's motto, "Service Above Self"?

Thank you,
[Sue McMurtray](#)

PS: If you won't or can't be at Rotary and have a generous heart, please mail your check to me and I'll shop for you.
